WHO WE ARE

Founded with a passion for textile innovation and a commitment to quality, Texas Pakistan is a Karachi-based sourcing and buying company specializing in premium fabrics and ready-made garments. We operate as a bridge between top-tier Pakistani manufacturers and global buyers, ensuring reliable sourcing, superior production standards, and seamless delivery.

Our expertise extends beyond fabric sourcing – we are proud creators of two distinctive clothing brands:

 **#FAVOURITE** – Focused on premium casualwear essentials with a modern touch for men and women.

 **The Mars Club** – A bold and expressive lifestyle brand for all ages, known for its tagline: “Live on Mars, Dress on Earth.”

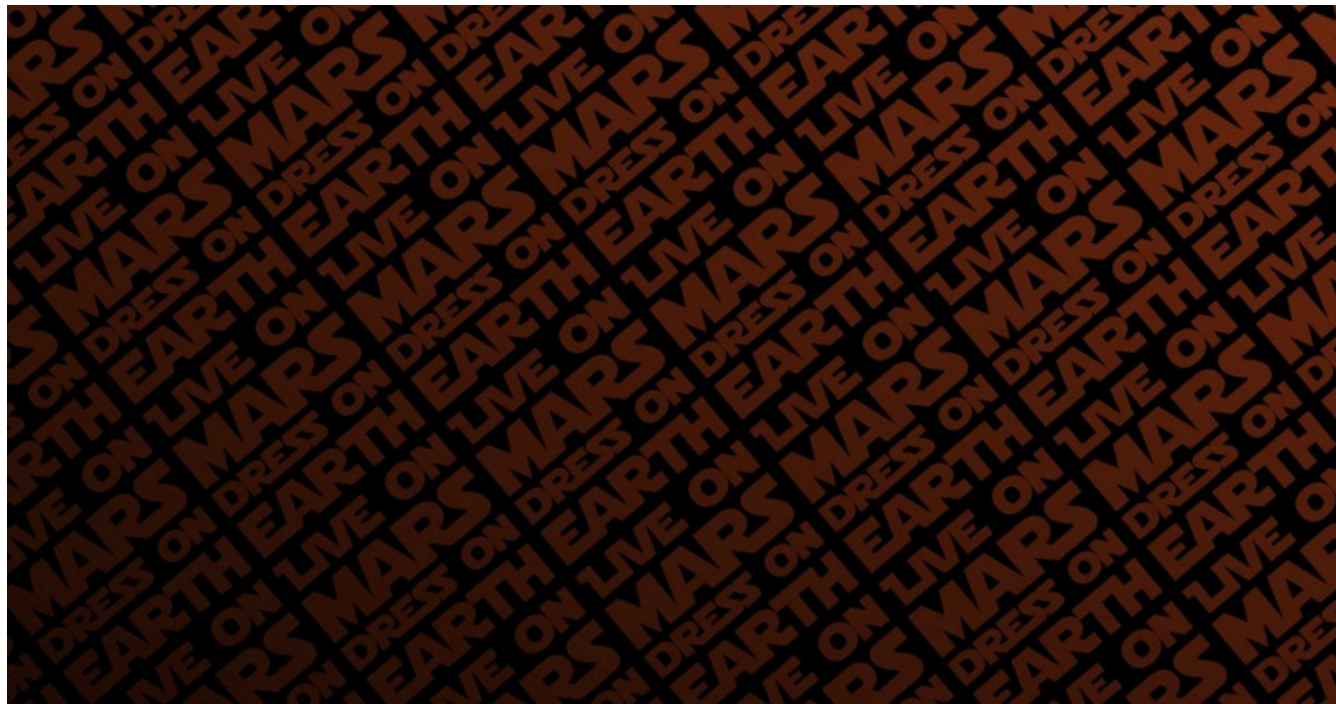

We pride ourselves on understanding global trends, maintaining production transparency, and delivering quality that speaks for itself.

OUR VISION

To be Pakistan's most trusted and globally recognized sourcing company, empowering local manufacturing while elevating the international presence of our in-house brands.

OUR MISSION

To connect global fashion brands and retailers with Pakistan's finest textile and garment manufacturers by offering quality, consistency, and creative excellence in sourcing and brand development.
